

Tokyo Women's Plaza
5-Language DV Consultation Service
For people suffering from abuse by their partner

"Tokyo Women's Plaza" provides consultation services for people suffering from domestic violence (DV) by their spouse or partner.

The counselors specialized in DV help clarify problems, give advice for resolution, and introduce appropriate organizations, other information, etc.

- **Consultation with interpretation is available.**
- **You may stay anonymous.**
- **Consultation services are free of charge.**
- **We will protect your secrets.**
- **Services are available for anyone who lives, works, or attends school in Tokyo.**

* Consultation services are free of charge, but the caller must pay for telephone charges.

Please give us a call.
